

# AQUAPLAY

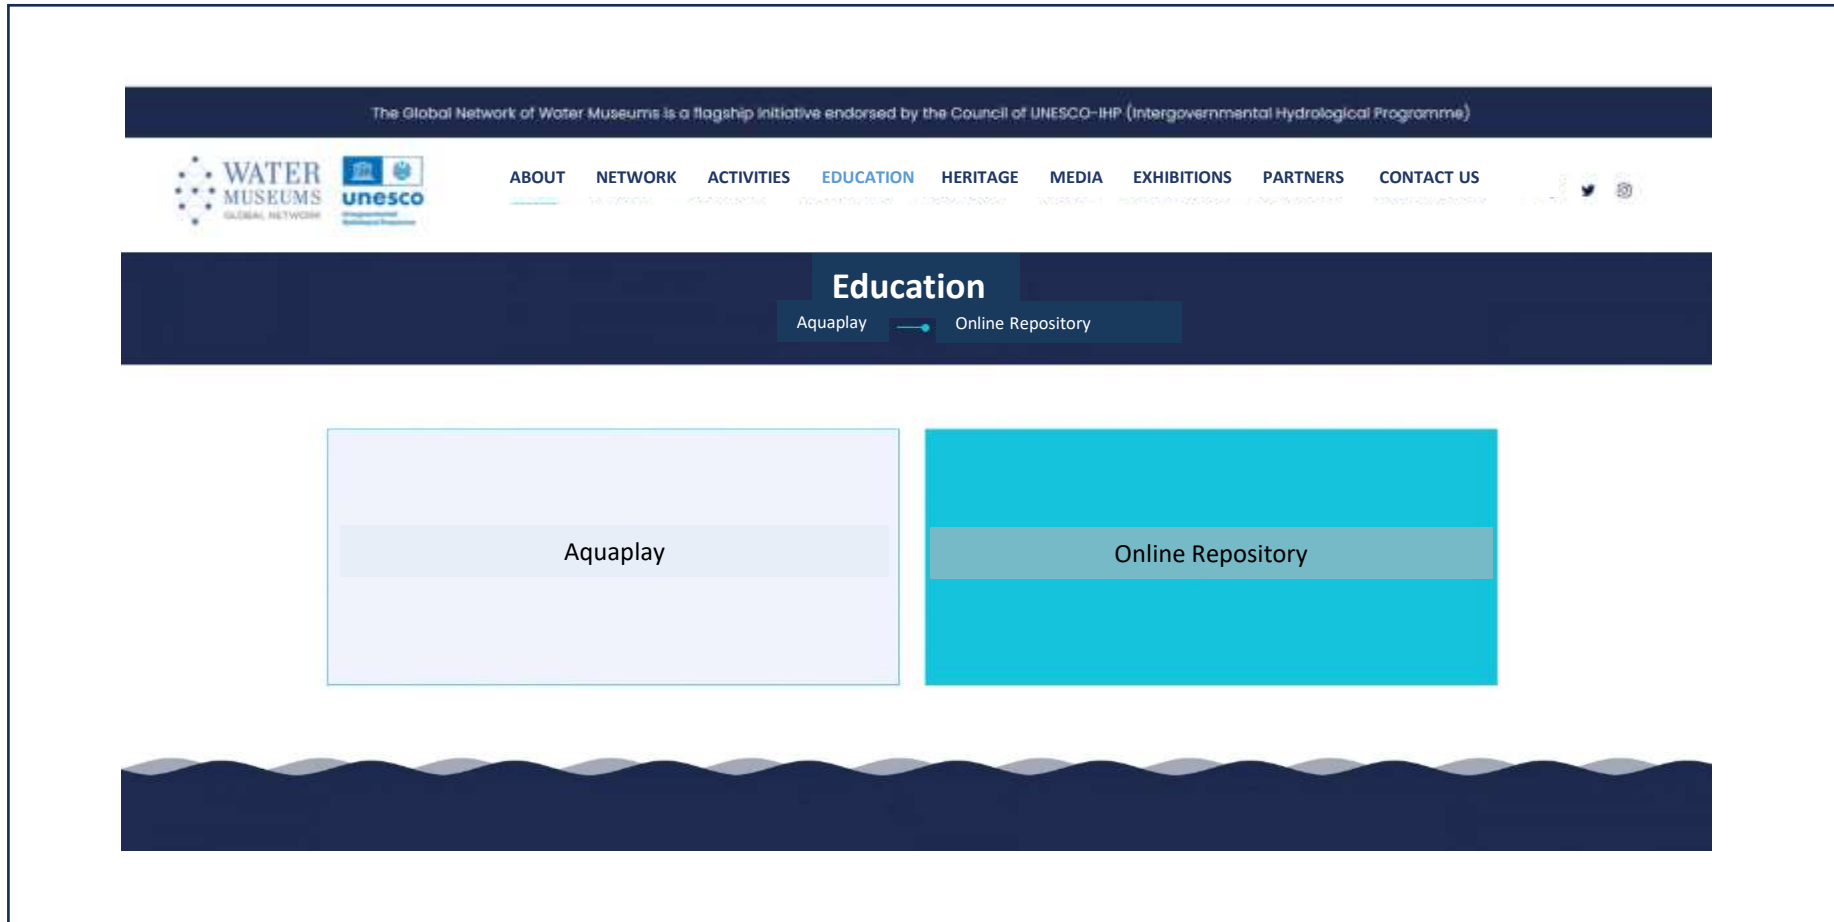

A new Tool for Online Education  
on WAMU-NET website

to raise awareness and involve young generations  
on environmental challenges,  
protection of water heritage and culture  
by coloring!

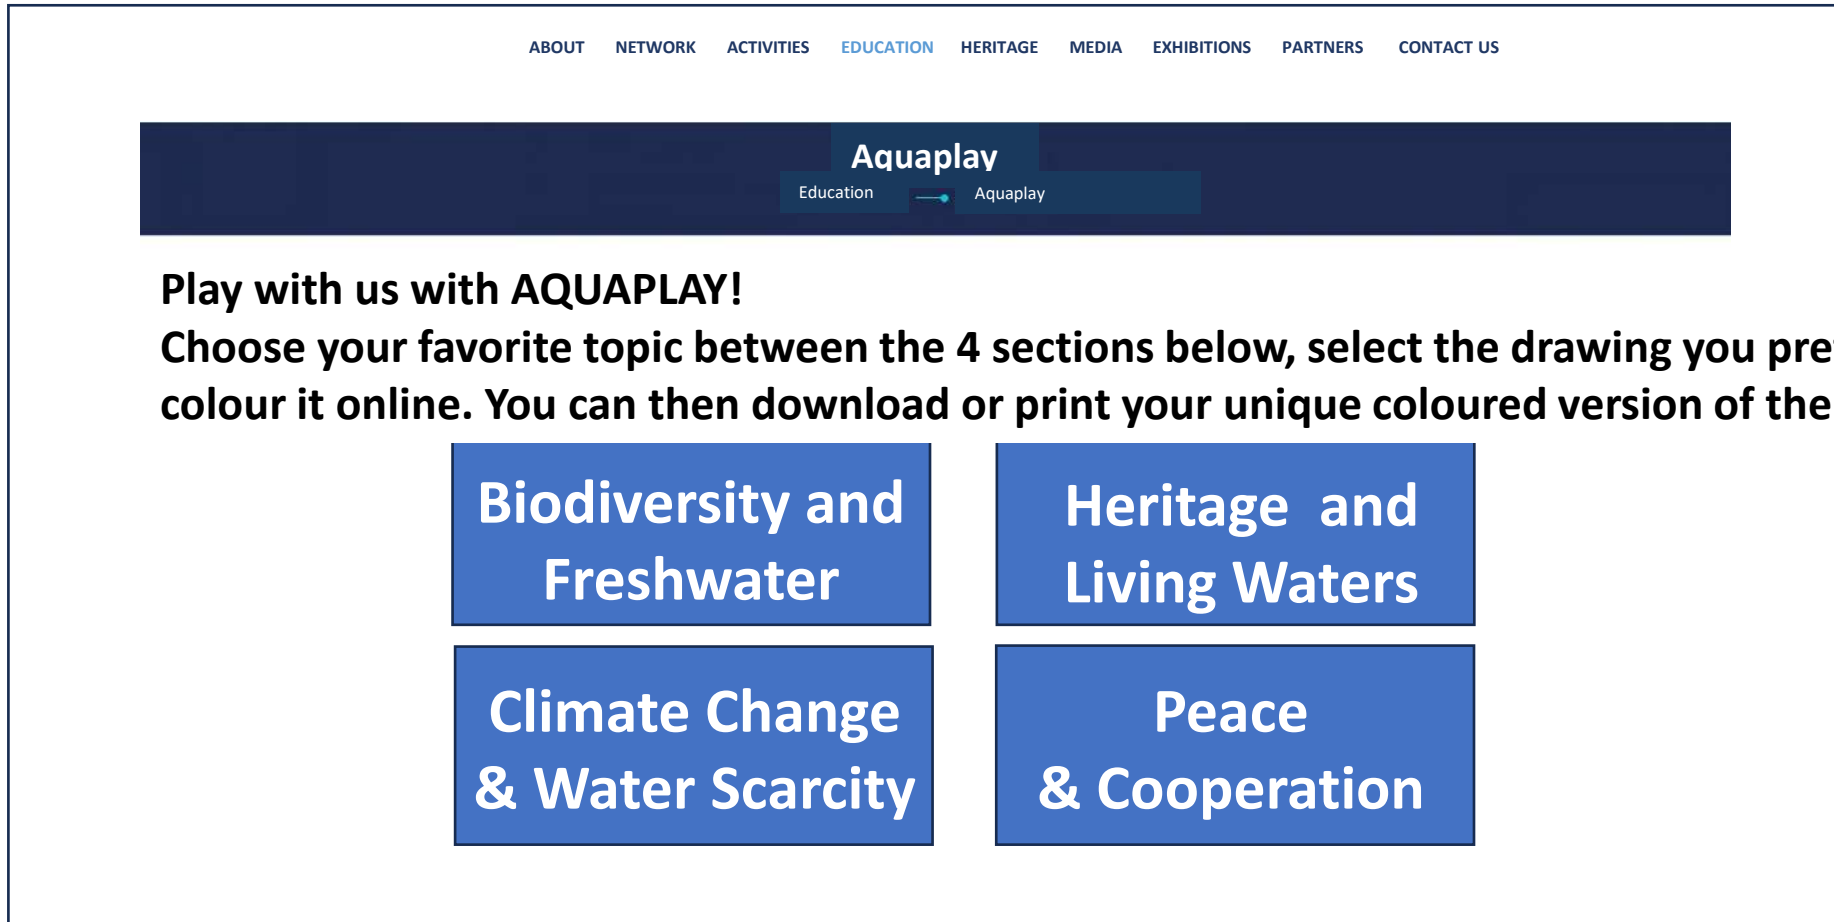

# AQUAPLAY

How to have access  
to online coloring  
in 5 steps  
*(from september 2024)*

# 1) From the Homepage, select the EDUCATION menu

2) In EDUCATION, click on AQUAPLAY and choose one of the 4 thematic areas

The screenshot shows a website navigation bar with the following links: ABOUT, NETWORK, ACTIVITIES, EDUCATION, HERITAGE, MEDIA, EXHIBITIONS, PARTNERS, CONTACT US. Below the navigation bar is a dark blue header with the text "Aquaplay" and a breadcrumb trail "Education → Aquaplay". The main content area features the text: "Play with us with AQUAPLAY! Choose your favorite topic between the 4 sections below, select the drawing you prefer and colour it online. You can then download or print your unique coloured version of the drawing!". Below this text are four blue buttons with white text, arranged in a 2x2 grid:

- Biodiversity and Freshwater
- Heritage and Living Waters
- Climate Change & Water Scarcity
- Peace & Cooperation

### 3.a) Choose the drawing you wish to colour / an example: «Water Heritage»

Clicking on the drawing of your choice, you will be automatically redirected on UACE Platform, to colour the B/W version of it online
